

## Contractor Update: Benefits Coordination and Recovery Center

The Centers for Medicare and Medicaid Services ("CMS") restructured the Coordination of Benefits Contractor ("COBC") and the Medicare Secondary Payer Recovery Contractor ("MSPRC") by consolidating operations in the Benefits Coordination and Recovery Center ("BCRC").<sup>1</sup>

CMS anticipates the new center will provide improved customer service, value-added efficiency, enhanced resource utilization, and consolidated and streamlined data collection. The contact information for the BCRC is available [here](#).

If you have any questions regarding the BCRC, or any other Medicare related issue, please contact the Medicare Compliance Group at O'Meara, Leer, Wagner & Kohl, P.A.
