An important part of the legal landscape, Alternative Dispute Resolution (ADR) is a proven method of resolving legal disputes in cooperative and efficient manner, saving all participants time and money. O'Meara Wagner, P.A.'s ADR Group is comprised of experienced trial lawyers who are active, knowledgeable litigators, making us better arbitrators, mediators and neutrals. Parties involved in the ADR process regularly select attorneys from our ADR Group because they see us as experts in the litigation process and trust us to efficiently and fairly evaluate their dispute and facilitate a successful outcome. There is no greater compliment than being asked by our peers to assist in resolving their legal issues.

Our lawyers are certified civil trial specialists, qualified neutrals, members of the American Arbitration Association's national panel of Construction and Commercial arbitrators and mediators, members of AAA's No Fault panel of Arbitrators, and have served in a variety of ADR forums, as arbitrators, mediators, early neutral evaluators, appraisers, and referees. We have broad experience in several forums and take pride in our practical, impartial and cost-effective approach to ADR. We welcome the opportunity to work with you to help resolve your dispute.
