Minnesota Workers' Compensation Subrogation and Employer Liability for Claims Professionals and Risk Managers

Shamus O'Meara recently completed revisions to a practical claims guide entitled *Minnesota Workers' Compensation Subrogation and Employer Liability for Claims Professionals and Risk Managers*.

Shamus has represented employers and insurers in subrogation, recovery and employer liability matters for nearly 30 years. He works closely with claims representatives, risk managers and attorneys to properly investigate and evaluate work injury situations. Shamus serves as an expert witness and consultant involving workplace security and regularly presents and conducts training on subrogation recovery, employer liability and safety and security issues.
