## Shamus O'Meara Presents on School Security Design with Ohio Facilities Construction Commission

Shamus O'Meara recently presented with the Ohio Facilities Construction Commission webinar entitled How Building Design Can Enhance Safety and Security. Shamus presented with Chris Gibbs, Principal with DLR Group, and Matt Helgerson, Superintendent with Jordan Public Schools, discussing the complexities of coordinating security design through a framework of human connectivity, building environment, technology, practical considerations and legal guidance.

Shamus has worked with state and national departments of education, mental health and law enforcement agencies to promote safety and violence prevention in schools and on campuses. He presents nationally on security and emergency management topics, and serves as a consultant and expert witness for educational institutions, public entities and private businesses on safety and security matters.
